FLOWFACT is key to our ecosystem strategy driving recurring agent revenues, customer engagement and digital sales

FLOWFACT is one of the leading real estate CRM software players in Germany

- The most modern SaaS CRM solution in the market
- Migration of customers from the legacy on-premise solution ongoing

Agent CRM software is a natural extension of the IS24 ecosystem

- By providing seamless product- and reporting integration we get closer to the customer and drive engagement with IS24
- The natural platform to implement **digital sales functionality** and further extend the ImmoScout24 ecosystem (e.g. **mortgage business**)
- CRM software can generate unparalleled customer insights on the objects in marketing phase and closed real estate transactions

>3.7k

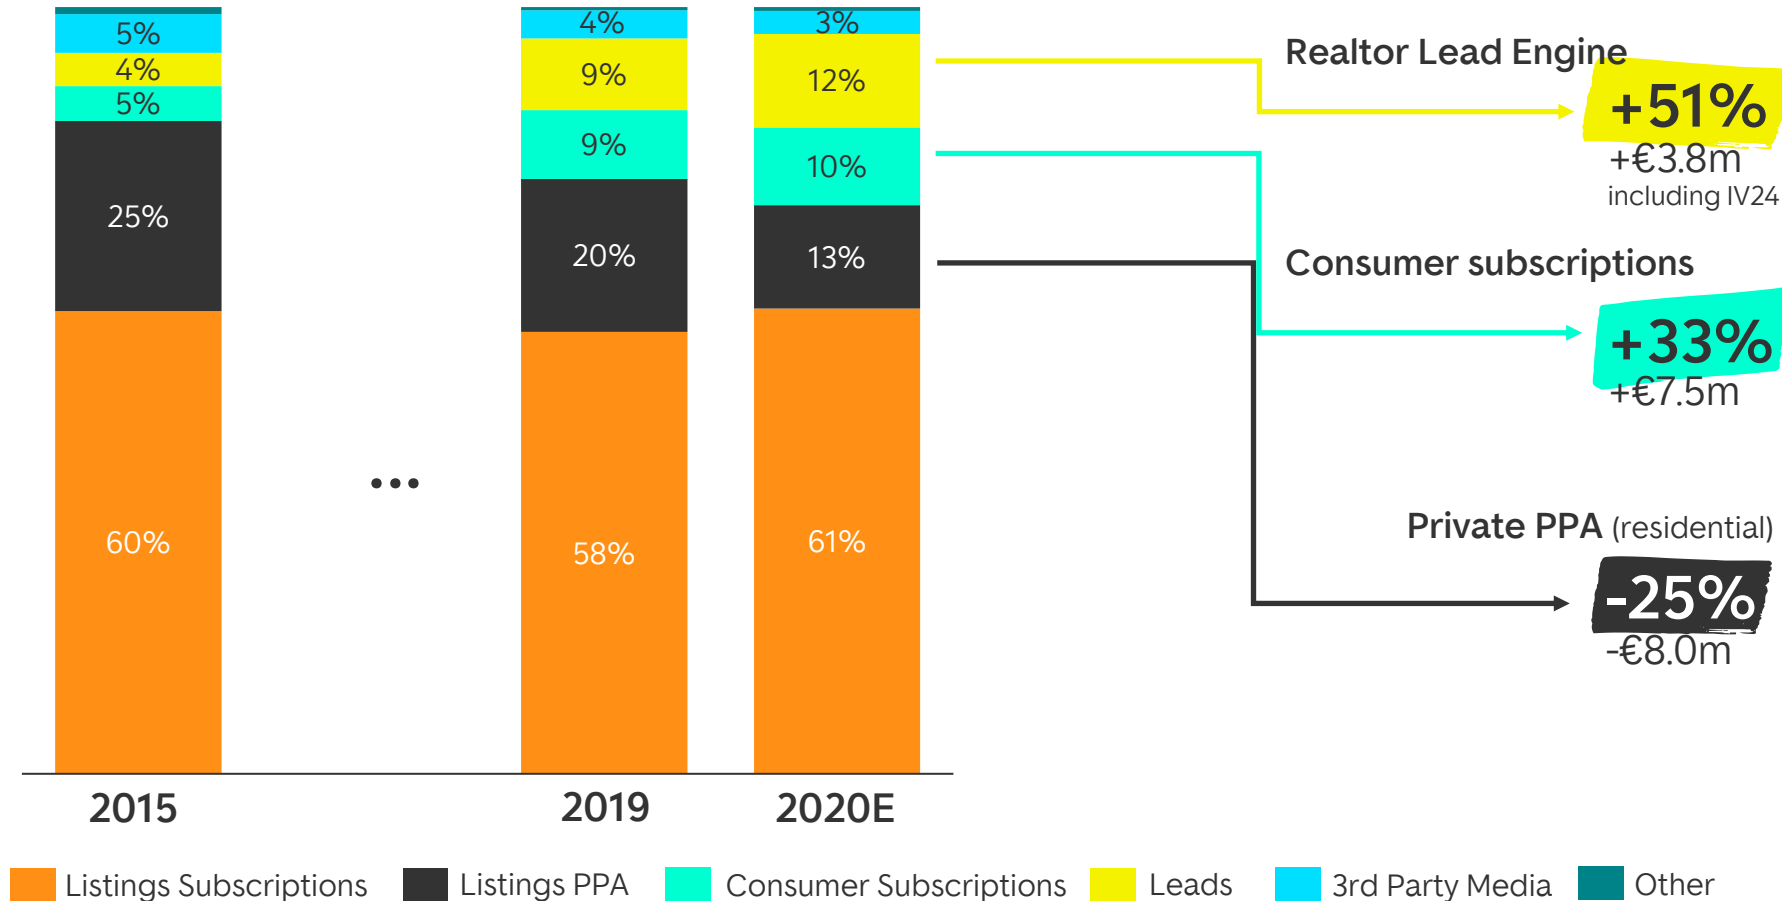

FLOWFACT customers

~66%

of ImmoScout24 B2B customers upload listings via CRM software

Our transition towards full transaction monetisation is working: from Classifieds to Ecosystem!

Breakdown of ImmobilienScout24 revenue streams (without Austria, without FLOWFACT)

- ✓ Strengthening the recurring B2B business
- ✓ Monetising high growth products (e.g. “Plus+” consumer products, RLE) to complement the core listings product
- ✓ Negligible contribution from advertising business

Key 2021 focus areas supporting revenue growth ...

Sale Journey

- Drive **ARPU growth** via membership migration, upgrades and OTP
- Reinforced **listing initiatives**
- Continued **customer growth**
- Enhance realtor leads product and **scale mandate acquisition**

Rent Journey

- Couple **private listings increase** with accelerated **MieterPlus+** monetisation
- Scaling new memberships for **property managers**
- New features and additional services for **VermieterPlus+**

Dev-Com Journey

- Monetise **new product editions** for Dev-Com, sector hardest hit by COVID-19
- Capturing **TAM potential** (extended customer and lifecycle focus)
- Support product set with **ad space**

FLOWFACT

- Increase customer **stickiness**
- Accelerate **digitisation**
- Move deeper into the **mortgage TAM**

... while uncertainty due to COVID-19 prevails
 Extended and tightened lockdown in January,
 but positive listing and traffic data on IS24

Lockdown measures

- “Lockdown light” started on 2-Nov, measures tightened on 16-Dec, then extended and further tightened on 10-Jan until 31-Jan
- Corporate / business activities ongoing (home office when possible)
- No unnecessary travel
- Meetings in public restricted (1 household with 1 external person)
- Schools / Kindergardens closed
- Non-essential retail shops closed
- In regions with >200 incidents, a movement restriction of <15km is advised

Effect on IS24 user groups

- Increased information / education for agents (Corona Info Hub, Customer Care)
- Increased usage of digital viewings (IS24 trainings); one-on-one viewings still possible
- No group viewings for rental apartments (individual viewings still possible)
- Increased usage of moving companies
- Residential real estate market intact
- Increased pressure on business real estate ecosystem (esp. gastro, offices)

Developments of listing/traffic data

- All traffic and demand KPIs have surpassed their pre-LD2 values ...
- Listings still below CW44, but significantly more new listings than last year
- ... suggesting a strong January bounce back

We reconfirm our previously announced capital return roadmap

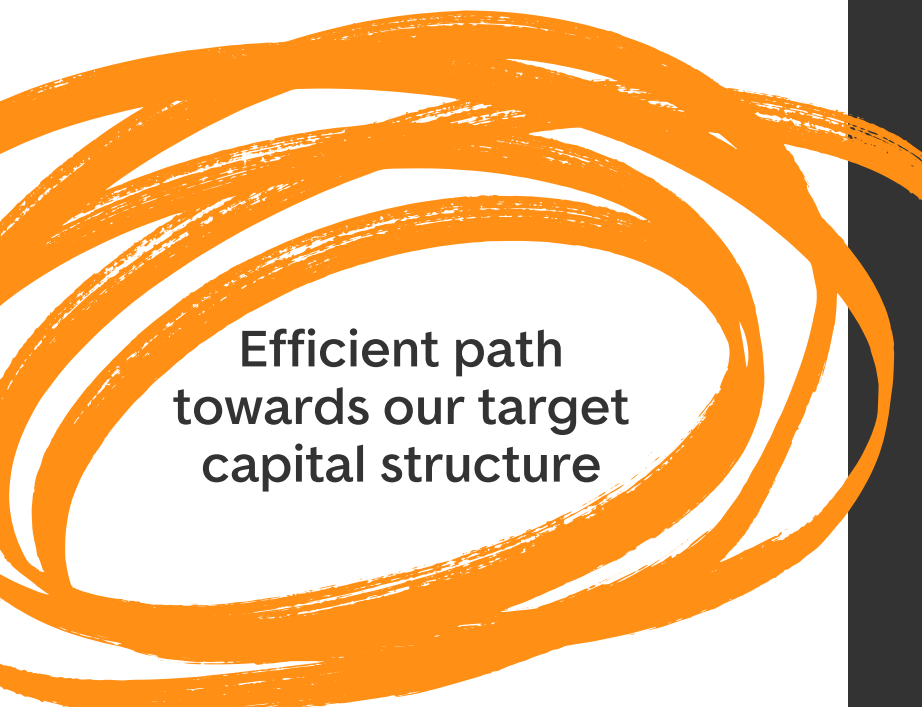

✓ Up to €490m share buyback programme commenced in Apr-20 and concluded in Nov-20 (treasury share position at 9.1%)

Cancelled 1.9m shares in Dec-20 reducing total number of shares to 105.7m (treasury share position at 7.4%)

✓ The up to €1.0bn capital decrease via buyback tender after announcement of FY 2020 results (and before AGM 2021) represents the key part of our capital return programme

✓ Additional up to €200m share buyback programme in 2021

The buyback tender is the key pillar of our capital return programme

Efficient path towards our target capital structure

Offer

- Public tender offer to repurchase shares at a fixed price (total volume of up to € 1bn)
- According to 2020 AGM resolution maximum premium of 10% to volume weighted average price 3 days before announcement
- Repurchased shares will be redeemed without exemption

Tender rights

- Scout24 shareholders will receive tradeable tender rights pro rata for their shareholding
- Gives shareholders flexibility to exercise their rights, acquire additional rights or sell their rights
- Provides shareholders certainty on tender acceptance

Advantages

- Equal treatment of all shareholders
- Fastest access to large parts of AS24 proceeds
- Highly accretive on earnings per share level
- Attractive capital structure in line with re-focused business model

Timing

- Buyback tender to be executed after the publication of FY 2020 results and before the 2021 AGM

We remain committed to long term shareholder value creation

Profitable growth

- The best positioned online classifieds platform in Europe
- On track to transition to fully monetising the transaction
 - TAM expansion (e.g. mandate acquisition, mortgage business)
 - Accelerate product rollout in 2021 (e.g. Plus+ products, RLE)

Value accretive capital allocation

- Continued focus and reinvestment into growth
- Massive capital return programme underway
- Attractive dividend policy remains in place
- Open to value accretive M&A opportunities

Sustainable competitive advantage

Attractive total shareholder return

Next events:

23 February 2021: Publication of preliminary FY 2020 results

25 March 2021: Publication of final FY 2020 results
