

## **Information regarding the issuance of a confirmation of the vote count pursuant to Section 129 (5) of the German Stock Corporation Act (*Aktiengesetz – AktG*)**

Pursuant to Section 129 (5) AktG, voters may demand confirmation from the company as to whether and how their votes were counted within one month after the day of the Annual General Meeting. The company is required to provide this information pursuant to the requirements in Article 7 (2) and Article 9 (5) sub-section 2 of the Commission Implementing Regulation (EU) 2018/1212.

Shareholders listed in the share register may retrieve, download, and/or print out the corresponding confirmation via the password-protected online service on the homepage at <https://www.scout24.com/en/investor-relations/annual-general-meeting> **until 9 August 2021, 24:00 hrs (Central European Summer Time – CEST)**. To do so, they may use the same access data as for all the other functions of the password-protected online service in connection with the Annual General Meeting on 8 July 2021.

In addition, voters and those who have granted authorization and issued instructions to the company-appointed proxies (and have not revoked them) may request the corresponding confirmation by email at the email address [hv@adeus.de](mailto:hv@adeus.de), **until 9 August 2021, 24:00 hrs (CEST)**. Confirmation as to whether and how the vote was counted will be provided in a timely manner, at latest 15 days after the request or the Annual General Meeting, depending on which event occurs later – to the extent that the information is not already available. The confirmation may be sent by email in particular in this case.
