Section 129 (5) Akt**

Pursuant to Section 129 (5) of the German Stock Corporation Act (*Aktiengesetz – AktG*), voters may demand confirmation from the company as to whether and how their votes were counted within one month after the date of the Annual General Meeting. The company is required to provide this confirmation pursuant to the requirements in Article 7 (2) and Article 9 (5) sub-section 2 of the Commission Implementing Regulation (EU) 2018/1212.

Shareholders listed in the share register may retrieve, download, and/or print out the corresponding confirmation via the company's password-protected online service, which is available on the homepage at <https://www.scout24.com/en/investor-relations/annual-general-meeting>, **until 24 July 2023, 24:00 hrs (Central European Summer Time – CEST)**. To do so, they may use the same access data as for all the other functions of the company's password-protected online service in connection with the Annual General Meeting on 22 June 2023.

In addition, voters and those who have granted authorization and issued instructions to the company-appointed proxies (and have not revoked them) may request the corresponding confirmation by telephone at +49 89 2019 0367 (Mon – Fri, excluding public holidays, between 9:00 hrs and 17:00 hrs) or by email at the email address hv@adeus.de, **until 24 July 2023, 24:00 hrs (CEST)**. Confirmation as to whether and how the vote was counted will be provided in a timely manner, at the latest 15 days after the request or the Annual General Meeting, depending on which event occurs later, to the extent that the information is not already available. The confirmation may in this case in particular be sent by email.
